### PUBLIC LIBRARY.

THURSDAY, MARCH 11, 1909.

We believe every well regulated town should and will support a public library, and as a starter in this direction we sug gest to our people the feasibility of such an undertaking. True intelligence elevates the morals of a community. Good books easy of access rid street corners of many loafers. With plenty of interesting books at hand the evenings may be spent pleasantly and profitably and they would moral influence.

# Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherbood means to her but little suffering. The trouble hes in the fact that the many women suffer from weakness and discene of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

## Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well.
